Welcome to PJK Graphics & Webpage Design!

PJK Graphics is a section of my page built and designed to provide online users with graphics. PJK Graphics designs logos, banners, avatars, webpages, animated banners/avatars/logos and more at an affordable price. All sales will be put towards building a stronger and better graphics webpage.

If you are interested in purchasing anything, or any special requests that are not described, please click on the "Email" button on the homepage.

Here is a brief description of what can be created:

- Banners: PJK Graphics can make banners at any size, shape, or color. Banners can be used for a variety of things, but PJK Graphics will design the banner to fit your exact needs. A typical banner costs anywhere from \$2-\$5. Banners that take a longer amount of time cost \$5-\$15.
- Avatars: Avatars are often used as an "icon" below each users name. PJK Graphics will provide a custom avatar to fit your user/forum style. The cost is usually \$1-\$3.
- Webpages: A custom advanced, or simple webpage can be created for you! PJK Graphics will design it exactly how you please! Depending on exactly what you need, a webpage would cost anywhere from \$15 and up.
- Animation: You can have animated banners, logos, avatars, and more. Depending on exactly what it is, these can be made anywhere from \$2-\$15+.

All customers must pay along with their request before the graphic(s) (all the items described on this webpage) is created. Once the graphic(s) is created, PJK Graphics will contact the customer to make sure they are satisfied with service. If the customer wishes, they can have the banner tweaked until they are satisfied. PJK Graphics will strive to the highest extent to satisfy the customer.
